

Letter to all parents and custodians from 31.03.2020

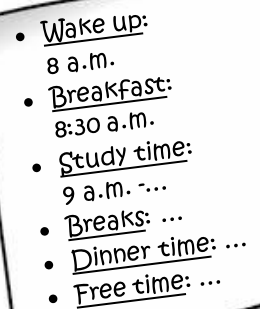

Ladies and gentlemen,
schools have been closed for the third week now. This is a peculiar situation for us all.
Through this letter, we want to offer you support and some tips on:

- how to organise your day with your children
- how to study at home
- what to do in case of problems, concerns, and questions

Organising your day

If going to school has created a fixed routine for your day, then that is probably missing now. This creates an unusual situation for you and your child.

TIP: Brainstorm with your child how you can organise your day without school! Write down everything that should be done and when.

- 
- Wake up:
8 a.m.
 - Breakfast:
8:30 a.m.
 - Study time:
9 a.m. - ...
 - Breaks: ...
 - Dinner time: ...
 - Free time: ...

Studying at home

Your child has received some materials from his/ her school to study at home. If you have any questions concerning these materials, then simply call the school.

TIP: Discuss with your child where the best place for him/ her is to study in the apartment.

After that, check all the assignments due and decide which should be done today.

Do not forget to schedule in breaks.

Let your child show you his/ her finished assignments.
